PROSPEK PEKERJAAN  
EMPLOYMENT PROSPECTS

In Malaysia, according to MDEC, there are 14 million gamers, and this is an indication of potential talents that are yet to be developed or identified. Some of these talents have the potential to be world class esports players. Thus, the Esports coaches may have opportunities to train and develop potential talents to represent Malaysia as well.

Esports coach usually will be able to find employment within legal and formal esports professional teams and clubs available locally or internationally. A fresh and certified esports coach typically will embark their journey in the esports coaching industry in Malaysia with a remuneration ranging from RM24,000 to RM36,000 on a yearly basis.
